

Potential Staff

Know that Aldridge is dedicated to addressing the academic and social emotional needs of our school community through progressive and research based strategies. Our students are capable of completing complex task and it is our job to highlight their strengths and build upon their areas of improvement.

Feel supported by colleagues and leadership through job embedded professional development. They have a voice and an opportunity to contribute to the overall success of the school community.

Take action by creating change within their school community and improve the academic and social emotional education of learners. As models of our core values, we empower our students, work collaboratively with colleagues to solve problems, reach out to parents and community members for input and partnership.
